2018 - 2019 Class Party Donation Request

There are 3 class parties throughout the year which include snacks, games and crafts. To ease the financial burden on class parents we suggest a \$12 donation for the year for each child. A donation of \$4.00 can be collected for each party during the year or donation can be made in full. All monies collected will go directly to your child's class party.

Due to allergies and state mandated guidelines, DO NOT send anything in the day of the party unless you have spoken to the class parent. The district prohibits the handing out of any candy.
